

# Making the Difference...

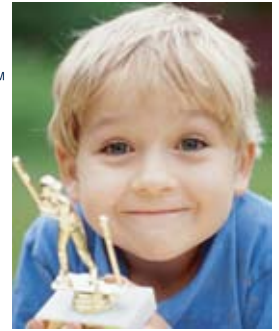

*Building a brighter tomorrow for today's foster children.*

Increasing positive outcomes for youth exiting foster care, creating permanent connections, and building a foundation for academic and career success.

## Adopt A Dream™

Providing the "important extras" that build meaningful childhood memories... sports, cheerleading, music lessons, summer camps, proms, and so much more.

## Pillow Pals™

Pillows... where dreams begin! We add a stuffed animal and a blanket...providing a little comfort for foster children when they're moved from home to home.

## Holidays

Every year we brighten the holidays for thousands of foster children. And make sure they know they're not forgotten!

**"GetSet"** ...an extensive two-week summer program, packed with career exploration, resume and interviewing techniques, self exploration and more.

**"TECHweek"** ...an intensive week long technology camp that empowers foster youth with cutting edge skills and technical confidence they need to succeed.

**Youth Night**...our most essential and successful youth outreach program held once a month. A fun way to build life long relationships between youth and potential mentors.

**"Dare to Dream"** ...70% of foster youth dream of going to college, only 3% make it. Our dedication to education has resulted in over \$40,000 in college scholarships.

**Backpacks**...During Back to School we provide backpacks filled with school supplies, a hit with all ages. This year we distributed over 300 backpacks!

**Senior Portraits**...high school is a priceless time in a young person's life. Many foster youth leave high school without capturing this memory. In 2007 we provided FREE senior portrait packages to 50 youth!

**Be A Mentor...Be A Friend!** Become a permanent connection and help a foster youth as they transition into the adult world. We provide all the support you'll need to become their education & career advocate.
